

BLACK AND BLUE

- 1 Black and blue, black and blue,
Tossing and turning all night.
Black and blue, black and blue,
Something wasn't right,
She didn't get a wink of sleep all night!

- 2 Black and blue, black and blue,
Something was there in the bed.
Black and blue, black and blue,
From her toes to her head.
'I've had a terrible night!' the princess said.

- 3 Black and blue, black and blue,
Tossing and turning all night.
Black and blue, black and blue,
Something wasn't right,
She didn't get a wink of sleep all night!
